The screenshot shows a Windows-style dialog box titled "License Wizard" with a red close button in the top right corner. The dialog has a light blue border and a white background. In the top right corner, there is the IAR SYSTEMS logo, which consists of a red circle with a white 'I' and the text "IAR SYSTEMS" in black. The main title "Register" is centered at the top. Below the title, there is a line of text: "When you register you will receive a license number for an evaluation license." Below this text is a blue button labeled "Register". Further down, there is another line of text: "Enter the license number you received after registering and click Next." Below this text is a text input field with a light blue border and a white background, containing the placeholder text "XXXX-XXX-XXX-XXXX". A large red arrow points from the left towards this input field. At the bottom right of the dialog, there are three buttons: "< Atrás" (disabled), "Siguiente >" (active), and "Cancelar" (disabled).

- Deberá aparecer el siguiente cuadro indicando que el proceso fue satisfactorio
